

# PagerDuty

UX Design intern

Summer 2018

# Making the lives of administrators and team managers easier on incident management teams

As a UX design intern at PagerDuty, I was tasked with designing a way to view administrator and team based data in a frictionless, usable manner.

## Contribution

- User Research
- Interaction Design
- Visual Design
- Prototyping
- Usability testing

## Timeframe

- 4 weeks

## Team

- Elliot Onn - UX Designer
- Justin Lazaro - Product Manager
